An Introduction to CEPC/SppC Accelerator Design Status

Friday, 4 July 2014 09:25 (25)

In this paper the status of CEPC/SppC will be reviewed covering project goals, accelerator design study status, time line, key design drivers, and accelerator physics challenges, et cetera.

Summary

Primary author(s) : Prof. GAO, Jie (Institute of High Energy Physcis)

Presenter(s) : Prof. GAO, Jie (Institute of High Energy Physcis)

Session Classification : Accelerator Physics and Future Colliders

Track Classification : Accelerator Physics and Future Colliders
