Updates of PDFs for the 2nd LHC run

Friday, 4 July 2014 12:50 (15)

Abstract: In this talk I will present results on continuing updates in PDFs within the MSTW framework due to both theory improvements and the inclusion of new data sets, including most of the up-to-date LHC data. A new set of PDFs is close to being finalised, with no significant changes expected to the PDFs presented here.
