

# Small-Scale Facilities in NuPECC's LRP

EURONS-13  
The East-West Outreach Nuclear Physics Network - EWON

Synopsis of a  
**Mapping Study of Nuclear Science  
in the EWON Countries**

January 2009

Edited by S. Harissopoulos  
Tandem Accelerator Laboratory, Institute of Nuclear Physics  
National Centre for Scientific Research "Demokritos"  
Athens, Greece

## NuPECC HANDBOOK 2012

**INTERNATIONAL ACCESS TO  
NUCLEAR PHYSICS FACILITIES  
IN EUROPE**

NuPECC is an Expert Committee of the European Science Foundation.

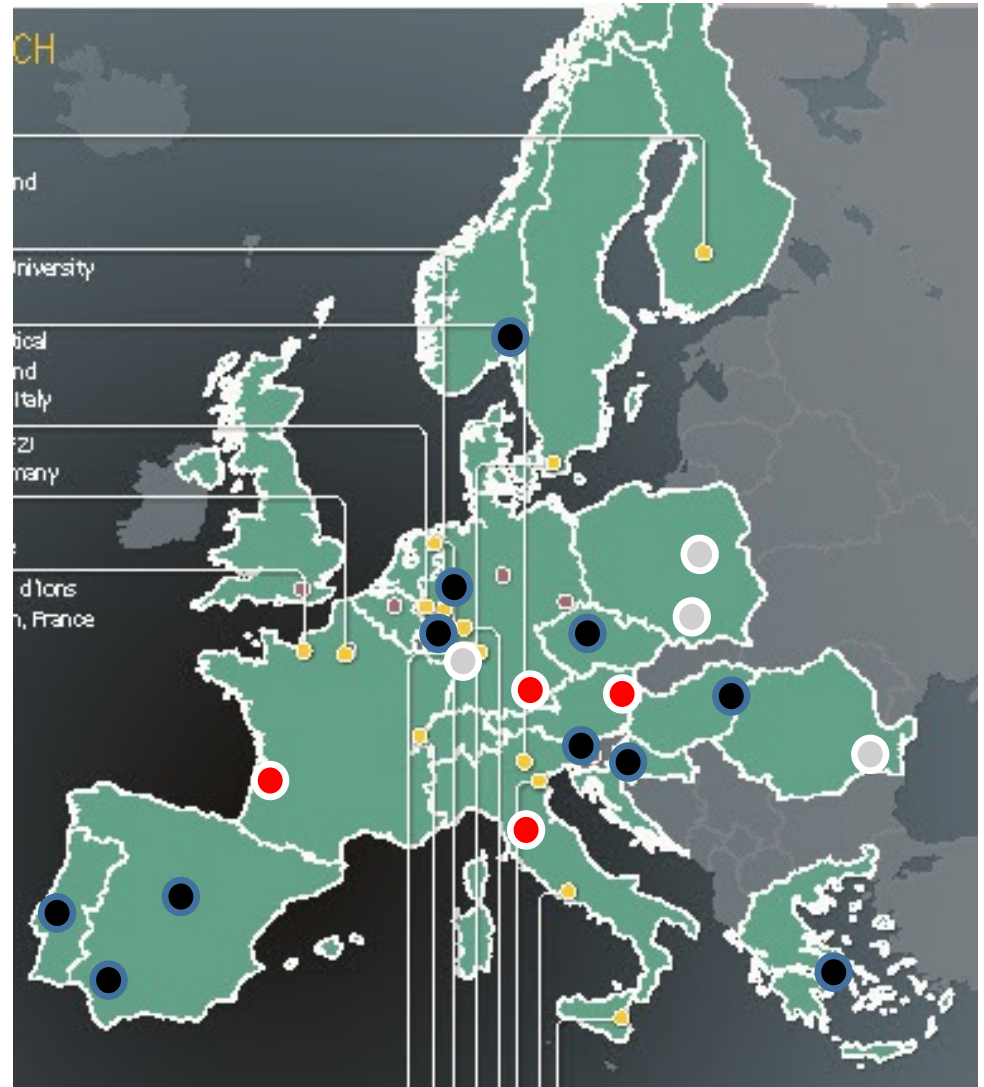

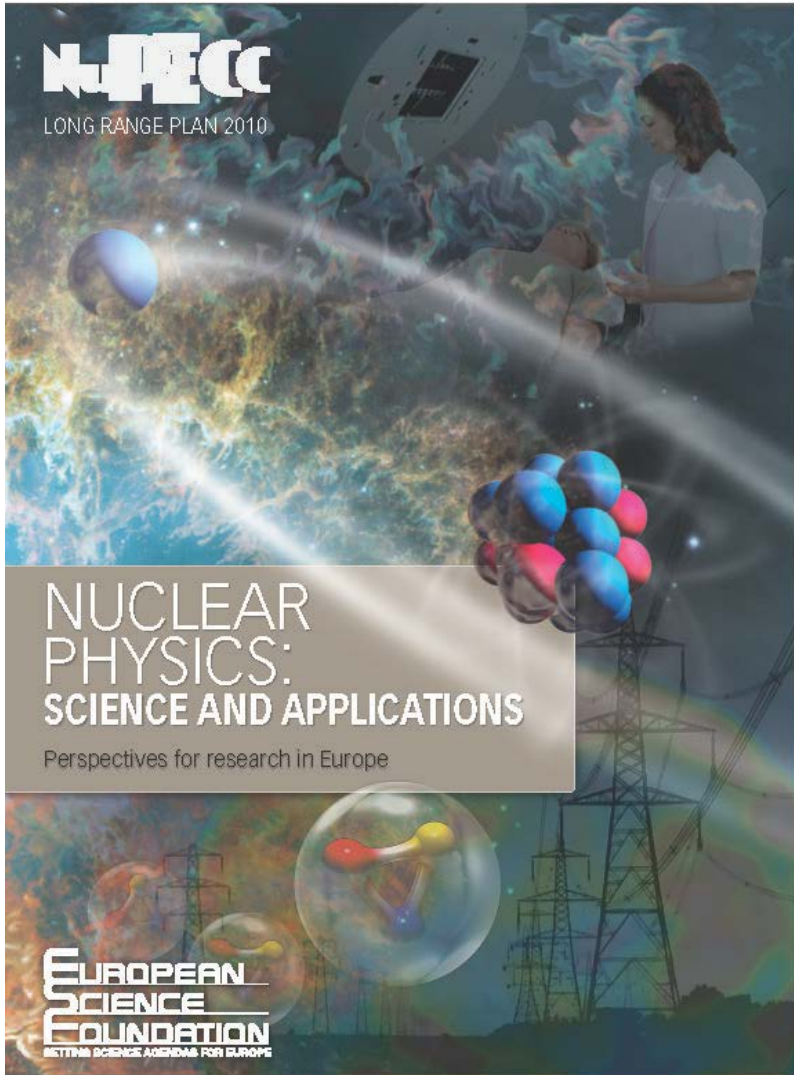

# (NA7) ENSAF: The European Network of Small-scale Accelerator Facilities

**1<sup>st</sup> ENSAF Workshop  
(Kick-off):  
19-21 October 2016,  
Sevilla, Spain**

## Deliverables

- D7.1: Electronic Proceedings  
*International Workshop on Accelerator Operation and Management*  
Month 18
- D7.2: Strategy Report  
*Physics Opportunities and Innovation at European Small-Scale Accelerators*  
Month 24
- D7.3: Strategy Report  
*Training Opportunities at European Small-Scale Accelerators*  
Month 36
- D7.4: Strategy Report  
*Integration of the ENSAF labs with the European TNA Accelerator Facilities*  
Month 48

THE NUCLEAR PHYSICS EUROPEAN COLLABORATION COMMITTEE IS AN EXPERT COMMITTEE OF THE EUROPEAN SCIENCE FOUNDATION

## Smaller-Scale Facilities in NuPECC's LRP

### DRAFT IS PLANNED TO CONTAIN:

1. Listing of SSF
2. Update of infrastructure and instrumentation
3. Nuclear Physics Programme – Type of Applications
4. Educational activities
5. “Horizontal” description of applications ???  
(Cultural Heritage – Environment – Human health – Materials)

**LENGTH OF THE DRAFT ???**
