Innovation and Technology @ IFIC

Mandate:

- Promote the technological and innovation transfer from our research activity at IFIC
- Organize and coordinate present on-going activities
- Recognize IFIC technological potentials and produce useful documentation
- Chair the process to define the future strategy on technological developments at IFIC

Activities (starting October 2016):

- Technology “Transfer Day” at IFIC+VATC (CSIC)+OTRI (UV) (23/09/2016)
<https://indico.ific.uv.es/indico/conferenceDisplay.py?confId=2796>
- Contact with companies and technological centres (ITE, 24/10/2016)
- Meeting CONECTA (*Coordinación Nacional Española de la Ciencia y Tecnología de Aceleradores*) at CIEMAT (13/12/2016)

Plans:

- Continue contact with companies and technological centres
- Produce various documents on the “IFIC technological potential and its capabilities” for internal and external users
