

The quest for new physics

Wednesday 12 December 2018

Session 4 (16:30-17:50)

time	[id] title	presenter
16:30	[13] Majoron Dark Matter and Constraints on the Majoron-Neutrino Coupling	Mr. BRUNE, Tim
16:50	[21] The promising future of a robust cosmological neutrino mass measurement	ARCHIDIACONO, Maria
17:10	[14] Flavour symmetry as the origin of the axion	Dr. BJÖRKEROTH, Fredrik
17:30	[15] How to weaken the cosmological neutrino mass bound	Ms. OLDENGOTT, Isabel
