

Introduction

L. Fiorini & A. Oyanguren

COMCHA Meeting

19/11/2020

<https://twiki.ific.uv.es/twiki/bin/view/Main/ComCha>

COMCHA Plans

- Reestablishing plans for the future:
 - Support for collaborative activities:
 - Spanish Research Program will not open call for networks this year (as last year).
 - Available Infrastructures:
 - ARTEMISA at IFIC [~ 20 V100] <https://artemisa.ific.uv.es/web/>
 - CERN GPUs farm:
 - Accessible via condor batch system
 - `request_GPUs = 1`

Events of Interest

- **The 2020 International Conference on High Performance Computing & Simulation (HPCS 2020):**
 - 18-21 January 2021, Barcelona (online)
 - <http://hpcs2020.cisedu.info/>
- **HSF-WLCG virtual workshop**
 - 19-24th November 2020
 - <https://indico.cern.ch/event/941278/>
- **vCHEP (virtual) 2021**
 - 17th -21st May 2021. organized by CERN: fewer sessions, a wider HEP focused plenary, and full papers instead of abstracts will be required in advance.
 - <https://indico.cern.ch/event/948465/>

Today and Next meeting

- Thursday 19th November at 15:00: **Simulations**
 - <https://indico.ific.uv.es/event/4250/>
 - Thursday 15th December at 15:00: **Modern computing software**
 - <https://indico.ific.uv.es/event/4251/>
- Please, don't hesitate to contact Arantza or myself if you have proposals or specific subjects you want to discuss for 2021 meetings.
