

# Jornadas (virtuales) de la red española de futuros colisionadores

## Tuesday 06 October 2020

### Physics studies: future collider activities in Spain (12:55-13:45)

-Moderadores: Sven Heinemeyer

| time  | [id] title                                                 | presenter                   |
|-------|------------------------------------------------------------|-----------------------------|
| 12:55 | [20] Top and bottom quark physics at future e+e- colliders | FULLANA TORREGROSA, ESTEBAN |
| 13:20 | [22] Higgs physics analyses for future e+e- colliders      | HEINEMEYER, Sven            |
