

# **17th International Conference on Topics in Astroparticle and Underground Physics (TAUP 2021)**

**Thursday 26 August 2021 - Friday 03 September 2021**

## **Scientific Programme**

**Neutrino physics and astrophysics**

**Cosmology and particle physics**

**Dark Matter and its detection**

**Gravitational Waves**

**High Energy Astrophysics, Cosmic Rays and  
Multimessenger Astronomy**

**Underground Laboratories**

**Outreach and Education**

**Plenary session**
