

# 17th International Conference on Topics in Astroparticle and Underground Physics (TAUP 2021)

## Wednesday 01 September 2021

### Discussion Panel Outreach and Education (17:10-18:00)

| [id] title  | presenter                | board |
|---|--------------------------|-------|
| [49] Involving the new generations in particle physics endeavours   | DONATI, Simone           |       |
| [126] Engaging the public with astrophysics virtual reality experiences                                     | KERSTING, Magdalena      |       |
| [153] The International Particle Physics Outreach Group - Reaching Across the Globe with Science            | GOLDFARB, Steven         |       |
| [441] The International Dark Matter Day in Argentina  | LOVINO, Maria Belen      |       |
| [390] Teaching physics to school students from an Einsteinian standpoint                                    | CHOUDHARY, Rahul         |       |
| [379] Spreading the space-time news: outreach and communication activities from the EGO-Virgo Collaboration | DEGALLAIX, Jerome        |       |
| [374] International masterclasses at IFIC: 17 years of particle physics for high school students            | APARICI, Alberto         |       |
| [369] Outreach and educational activities of the ALICE collaboration during the COVID pandemic              | HATZIFOTIADOU, Despina   |       |
| [349] Undergroud muon flux measured by EEE students   | BOI, Stefano             |       |
| [324] The Cosmic Ray Live Project @SNOLAB   | SCORZA, Silvia           |       |
| [304] Science Summaries: explaining LIGO-Virgo-KAGRA results to the global public                           | KEITEL, David            |       |
| [298] Global Cosmic-Ray studies educational platform  | BRUANT GULEJOVA, Barbora |       |
| [224] The Outreach and Education program of the Darkside experiment   | BOTTINO, Bianca          |       |
