

International Workshop on Effective Field Theories: from the Pion to the Upsilon

Wednesday 04 February 2009

Wednesday Afternoon (14:45-16:30)

time	[id]	title	presenter
14:45	[32]	Lattice QCD	FLYNN, Jonathan
15:25	[33]	Non perturbative HQET on the lattice	GARRON, Nicolas
15:45	[34]	Exploring the chiral epsilon regime with lattice Wilson fermions	NECCO, Silvia
16:05	[35]	Testing chiral perturbation theory from twisted mass lattice QCD dynamical simulations	HERDOIZA, Gregorio
