

# International Workshop on Effective Field Theories: from the Pion to the Upsilon

## Thursday 05 February 2009

### Thursday Morning (continue) (11:15-13:00)

time	[id] title	presenter
11:15	[58] Strong QCD in the continuum	PENNINGTON, Michael
11:55	[59] Unitarity constraints on chiral perturbative amplitudes	ZHENG, Hanqing
12:20	[23] Effective Field Theories for the X(3872)	BRAATEN, Eric
