

Workshop CSIC Strategic Theme "Understanding the basic components of the Universe, its structure and evolution"

ID de la contribución : 28

Tipo : no especificado

Physics driving mathematical analysis and geometry

jueves, 23 de febrero de 2023 9:00 (15)

Presenter(s) : ENCISO, Alberto (ICMAT); ARAMAYONA, Javier (ICMAT)

Clasificación de la sesión : Challenge 9: New developments in geometry and mathematical analysis driven by the equations of physics
