

# Jornadas de la Red Española de Futuros Colisionadores

## Wednesday 08 March 2023

### Phenomenology: physics studies - Sala de Actos "Pepe Millán" (12:00-14:00)

-Moderadores: Sven Heinemeyer; Adrian Irlles

time	[id] title	presenter
12:00	[5] Heavy quark production in high energy electron positron collisions	IRLES, Adrian
12:20	[6] Cosmological analogies in the search for new physics in high-energy collisions	SANCHIS-LOZANO, Miguel-Angel
12:40	[7] Exploring hidden sector at future e+ e- colliders with particle correlations	MUSUMECI, Emanuela
13:00	[8] New avenues in exotic Higgs decays for the HL-LHC and ILC	NO REDONDO, Jose Miguel
13:20	[9] BSM triple Higgs couplings at the HL-LHC and future e+e- colliders	HEINEMEYER, Sven
