# Red LHC Workshop

---

- ❖ Dedicated workshop of the red LHC started in 2017.
  - ❖ Traditionally organised at the IFT (Madrid). [Link](#) to past events.
- ❖ This year we reach the 10th edition. Decided to lift the organisational burden of our colleagues from Madrid, and move to Barcelona.
- ❖ Typically organised around May to avoid collisions with major conferences and experimental meetings (but collides with teaching duties).

# 10th Red LHC Workshop

- ❖ **Venue:** Faculty of Physics at the University of Barcelona.
- ❖ **Dates:** 29/06 - 01/07 (teaching friendly).
- ❖ **Organisation:** Agencia Pacifico, will handle the fees.
- ❖ **Accommodation:** Arranged for rooms in residencia Penyafort, price included in the fee. 5 minute walk to the Faculty.
- ❖ **Fees:** exact price to be defined, but around the fee of 2025.
- ❖ **Dinner:** somewhere in the city center (reachable by subway), yet to be defined.
