- 2025 edition
 - Call came quite late
 - The event risked cancellation
 - In spite of that: good attendance 55 participants & 28 talks
 - Thanks to organisers for the effort
 - Scientific program
 - Hotel, catering
 - In my opinion: excellent level of talks
 - Theory
 - Including Quantum, ML
 - Experiment
 - Physics analysis
 - Including also instrumental related talks
- 2026 workshop will be organised in Barcelona
