OJI: our activities

The mission of the Young Researchers Office (OJI) is to **support the professional development of doctoral and postdoctoral researchers at IFIC** through a variety of initiatives. These include activities aimed at integrating new members into the institute and fostering the application of skills acquired at IFIC in the professional and business sectors.

1) Postdocs Newcomers Fest (this morning).

“An event to showcase new researchers' interests and introduce IFIC's activities to newcomers.”

⇒ Thanks to Sergio Pastor (IFIC director)

2) PhD welcome session (this afternoon).

“A forum to introduce new PhD students to the institute and to connect them with fellow students.”

⇒ Thanks to Pablo Arnalte-Mur (coordinator of the PhD program)

You can reach us at **oji@ific.uv.es** with any question/suggestion that you may have!
